### *The Run*

Mmm, that canal looks familiar. Across the bridge to the other side, only to strike a T Check. There's Wet Pet standing by the bushes, back the opposite direction, so up to him I ran. But he just thought that was a good place to stand, Cunning Hare. Anyway, eventually into the bush for a Circle in a nice clearing. We spent a good 10 minutes looking forward to a trail that would come out near Dover MRT. But no, it was on back.

Eventually we crossed Clementi Rd, following the canal then crossing over a bridge for a well hidden T that we all missed. Back we go, and why cross the canal on a nice modern concrete bridge when you can cross it by an ancient, dilapidated, condemned, rickety old railway bridge full of holes that threatened to devour Hashers if they took one false step.

Along a drain off Sunset Way and then up onto the old railway track. A slippery, steep exit up an embankment led us back out

onto Clementi Rd, which we crossed. A Circle Check then led to something I have never experienced before – Fat Crashing Bastard finding the trail and calling for a woman. Amazing.

It was then into a wooded area for some nice trails that brought us out to the big canal. Down the steps into the canal and left went the front runners. Boo said no way, it will be to the right. Comes Quietly wasn't so sure and suggested trail could go left. However, our mind was made up when we watched Shaggy Dick 2 go around a large fallen tree in the canal and immediately bend over, thus indicating he was hiding because he had come to a T check. So off to the right we went, following Boo, back over Ulu Pandan Rd and headed for home. Well done Hares, a fine run! Not as good as the run 2 weeks ago, but nice try!

**The Circle:** The GM called the Hares in, to the reply of 'You are in.' Good Run was the verdict.

**Tell us about your On On:** BBQ back at our place said the Hares, free beer. Very good run then.

**Next week's run:** End of Yishun Ave 1, by the dam wall, Father Anus.

**Visitors:** , Banana in Public, Stiff, Little Stiff, Dominic, Desperate House Wife, Jiggy Jig, Knee Tumbler and possibly others. Why were they born so beautiful.....

**Virgins:** Rick and Lali. How did you enjoy losing your virgin status on the run, asked the GM. A little awkward was the reply from Rick. This brought both Father Anus and FCB into the Circle to make appropriate comments.

**Returnees:** A pregnant Prick In Hand. As this will be her 3<sup>rd</sup> baby since she left us, maybe her name is no longer appropriate, as it is clear the prick has been in other places beside the hand.

**Lipstick:** Cock Radio and Mr. Potato Head were deemed

- Wet Patch had an unusual experience at the back of the pack while sweeping. He discovered that a nature study class takes place each week. ‘Look at the new shoots on that fallen tree,’ ‘Listen, is that a yellow-billed finch?’ ‘Look at the lovely moss on that tree,’ and so on. Sign up for Slippery Bum’s Guided Nature Tours.
- Sex Change also saw something he had never seen before on the Hash – A Launching! Knee Trembler was having trouble getting up a slippery embankment. Seeing her predicament, Black Member seized her around the body and launched her into space. She landed at the top of the hill with knees trembling.
- Cock Radio needed the assistance of a Black Member launching at one stage. On going up the slippery embankment, I was unfortunate to have Plunger in front of me. Losing traction, he then plunged backward with his rear end dangerously close to my face. I needed Black Member to give him a launching into space too.
- Deep Throat observed Singaporn showering and changing discretely behind a car. Until the car drove off, exposing our modest French gal and almost giving us some real Singapore Porn!
- Handbag was at the Lion City D&D Committee Meeting last night, when the Chairperson suddenly called a halt to proceedings and dashed off to the bathroom. Result of a dodgy curry? No, Deep Throat had broken a fingernail. (**Lion City D&D, Nov 27<sup>th</sup>, Tanglin Club. Stay tuned for further details –CR**)
- Not Tonight welcomes back Zipp and Gypsy, noting that by the look of her hair, Zipp has become a Buddhist Monness. No said someone, she is just imitating her husband.
- Ugly Bum and Ad Naseum, the late comers, are given a late charge.

On on to a fine BBQ, where we proceeded to eat and drink Shopper and Wet Parch out of home. Handbag was even seen seen tucking into a bowl of cornflakes and Chang Beer. Is my steak ready yet Wet Patch?
